**Hoonko (Memorial Honoring Shinran Shonin)** as the most important Jodo Shinshu observance, this is the date chosen to commemorate Shinran Shonin's passing. Traditionally, seven days of services are conducted at Honzan, culminating on January 16. During this period numerous activities are held, recalling the legacy the Founder has left. This gives practitioners a chance to "hear the light" through listening to sermons, talks, ritual and sangha fellowship. Generally temples conduct their own Hoonko observances in the fall so that members can attend the services at Honzan.

### **New Year's Greeting**

At the beginning of the new year, I would like to extend my greeting to you.

On June 6, 2014, receiving the Jodo Shinshu tradition from Monshu Emeritus, I was inaugurated as the Hongwanji Resident Head Priest and Jodo Shinshu Hongwanji-ha 25th Monshu. To commemorate the occasion together with all of you in front of Amida Buddha and the Founder Shinran Shonin, *Dento Hokoku Hoyo*, or the Commemoration on the Accession of the Jodo Shinshu Tradition will be observed at Hongwanji, Kyoto, Japan from this coming October 1. With this observance as an opportunity, it is my hope that the Jodo Shinshu teaching will spread to as many as possible.

The Jodo Shinshu teaching was set forth by Shinran Shonin nearly eight hundred years ago and it has been carefully transmitted to us today. Be it Shinran Shonin's time or the present day, the Jodo Shinshu teaching remains unchanged and continues to serve as our spiritual

foundation. This is because in this world of impermanence we live our lives never knowing when it may end. No one can guarantee that tomorrow I will not be involved in an incident or accident that will bring about the end of my life.

In closing, let us continue our journey along the Nembutsu path by going to the temple to hear more of Amida Buddha's constant working for our benefit. In doing so, throughout this year, let us reflect on our true selves, come to appreciate all the encounters of our everyday lives, and in gratitude, recite the Nembutsu.

Namo Amida Butsu.

### **Namo Amida Butsu & Happy New Year!**

As we begin the New Year, let me express my warmest Aloha and Best Wishes to you for a meaningful and peaceful New Year. The new year 2016 is significant in that it is the beginning of "The Commemoration of the Accession of the Jodo Shinshu Tradition" by our 25<sup>th</sup> Spiritual Leader His Eminence Kojun Ohtani whose vision is outlined in the Proclamation/Letter he issued in June 2014 with the words "The nembutsu teaching that is based on Amida Buddha's Primal Vow remains unchanged, regardless of the changing times and society. However, the methods for transmitting and sharing it needs to evolve and adapt according to social changes. Now is the time for our Hongwanji institution to utilize our collective wisdom and knowledge for considering approaches to convey the Buddha Dharma to our contemporaries today."

In Hawaii, our theme and slogan for 2016 reads "...we create a new vision which will plan for the future, and create engagement with our members and the community." As I reflected, I thought of the Bodhisattva Dharmakara. The Bodhisattva Dharmakara had an aspiration. A new vision, if you will. According to Shinran Shonin, it was a shift from Self Power to Other Power or the attainment of Supreme Enlightenment through the (Buddha's) Other Power of Great Compassion. This new vision was expressed by the 48 Vows, in particular the 18<sup>th</sup> Vow, and the Pure Land of Enlightenment to which one and all are welcome. Now that the vision was clear, it had to be made real and known to others. Thus, as we know, the Bodhisattva Dharmakara endeavored to become Amida Buddha or Namu Amida Butsu, an All-Inclusive Wisdom and All-Embracing Compassion, to share the message of the Nembutsu Teachings. Amida Buddha created engagement with all sentient beings by sending forth the various Buddhas, like Shakyamuni Buddha, to share the message of Great Unconditional Compassion. As we become aware of this Great Compassion, finding ourselves embraced by it, with great joy we join the countless Buddhas of the Universe in praise of the wondrous vision of Bodhisattva Dharmakara/Amida Buddha. His Eminence encourages "jishin kyo ninshin" or to "secure our own entrusting heart to the Dharma, guiding others to the same path."

In a similar fashion, Honpa Hongwanji Mission of Hawaii must embrace the vision to transform into a 21<sup>st</sup> Century internationally minded spiritual organization. A Kyodan which is more in sync with today's world and times so that it can better meet the needs of all members and the society-at-large, and interactively with innovation, offer the message of Amida Buddha's All-Inclusive Wisdom and All-Embracing Compassion to all people, all life, and all existence. For this purpose, various Hawaii Kyodan Committees have been challenged with various tasks to bring about a transformation, but the greatest shift or change which must take place, first and foremost, is the one that occurs in each of our minds.

As Jodo Shin Buddhists, let us respond to Amida Buddha's Unconditional Compassion by reciting the Nembutsu of Awareness, Joy, and Gratitude, and also endeavor in gratitude to foster a more peaceful and harmonious world beginning with my own self and our own Kyodan/Sangha. Our limitations as bonbu are evident, but may we aspire to be that Kyodan/Sangha that the Dharma describes, and makes the Buddha smile in acknowledgement of our efforts to try to be better. Again, in response to Buddha's benevolence, I, together with our State President Mr. Pieper Toyama, humbly ask for your support and cooperation. May we all go to the Buddha Dharma for guidance! Entrusting in the Buddha of Immeasurable Life and Infinite Light.

In Gassho/Anjali,

**Bishop Eric Matsumoto**, Honpa Hongwanji Mission of Hawaii

## **PRESIDENT'S MESSAGE**

### **Change, Vision, and Engagement in 2016**

We enter 2016 shaped by the theme: EMBRACE CHANGE: NEW VISION, and this vision for the future is to be borne out of our engagement with each other and our communities. Let me share two thoughts on this theme. First, let us be guided by the Jodo Shinshu concept of Ondobo Ondogyo. This perspective of life is based on the idea that we are all fellow travelers. That lay members and ministers are on the same journey. We make our way by supporting each other, by sharing the joys and burdens of our travels. We engage with each other to set the direction of our journey and how we will travel together. To live the meaning of Ondobo Ondogyo, lay members and ministers must work with each other to set and share a vision of the future. This will mean engagements that are happy and productive as well as engagements that are unhappy and frustrating. Our egos will make sure that our journey together is not perfect. But this is the natural process of engagement that must not deter us from traveling as one Sangha.

Second, as you travel through 2016, find opportunities to engage in the life of your temple that make sense to you in your life right now. Your engagement may be as simple as attending Sunday services or it may extend to participating in a few temple events. It may even include joining a committee to plan an activity or even serving as a chairperson. Better yet, it may grow to becoming an officer of your temple. Set a vision for yourself for 2016 and embrace the changes that you create.

Namo Amida Butsu

## **PRESIDENT'S MESSAGE**

by Norma Matsumoto

It's that time of year, with its hustle and bustle, and the feeling of being in a rush, that can take a toll on you if you don't watch yourself. The weather is finally changing and colds and flu are on the rise. I hope you are surrounded by loved ones (even though they can be so annoying at times, yeah?) but know someone who may be lonely this year, at this time, that you can share your warmth with.

For the twelve days of Christmas, I'm indulging in the Hawaiian version, cause I have no need of 'pipers piping' and the only partridges I know about sang on television and that many singers would fall out of a pear tree. Do you know that coconuts were once BAD for you...are now GOOD for you! Who can go wrong with poi and dried squid and beer?!? Of course gotta sell da missionary, the mynah bird and too many ukulele on E Bay, but the rest are my idea of a good time!! (In case you forgot, 4 flower lei, 5 big fat pig, 6 hula lesson, 7 shrimp a swimmin', 12 television) Did I miss any?

Dear Santa: I'd love to have Kona Hongwanji's past assessment paid in full, a cute small Range Rover SUV, the Credit Union to make a huge undetectable error in my favor, Morris Nagata to have ONE DAY with absolutely nothing he MUST do, Judy to have an uneventful day in the office, Mary to have an uneventful day with the temple and preschool, and Sensei Bruce to have one day where every wahine in his life could say only one thing to him..."Yes, can do, Sensei". WHAT?!? I WOULD'VE HAD TO BE A GOOD GIRL ALL YEAR?!? Sorry everybody...

Enjoy a safe, happy holiday!

## **FOR YOUR INFORMATION**

By Mary Katayama

Bruce our resident minister, and Shinwakai/BWA for their continued support. **Morris and Mary thank all of you!**

**Coffee Hour with Rev. Muneto:** Rev. Muneto is retiring effective December 15, 2015 after 50 years of service at Hawaii Kyodan Temples. He was our resident minister from 1980 to 1986, started our preschool in 1982. During the 15 month period without a resident minister, he provided minister assistance from Hilo and taught our leader's altar set up and service procedures. **Please join us after the Hoonko English Service on Sunday, January 24, 2016 for fellowship with Rev. Muneto.**

**Cemetery Flowers:** Dengue Fever is still an ongoing concern in our community. **Water in flower vases/under potted plants must be changed at least once a week or add soap solution to the water.** Preschool staff and Boy Scouts are helping to put soap solution in the vases to prevent mosquito breeding. Let us all do our part to eliminate mosquito breeding sites.

**Project Dana:** Thank you to Elaine Nakagawa who attended the Leadership Training Session on November 30, 2015 in Honolulu. Elaine, along with Janet Lindner and Janet Kunitake prepare lunch each month for the Senior Activity Program. Mildred Kaneko leads the crafts session while Chizuko Nakamura is in charge of activities. Come and join us on the second Friday of each month. Transportation is available, Contact the church office at 323-2993.

## **YEAR 2015 BECOMES 2016**

By Bruce Y. Nakamura

With the closing of the 2015 year and the opening of 2016, the seasons of our life cycles are filled with the life lessons passed on from generation to generation. May our gratitude be its basis and ground.

A joyous and safe passage to all of you dear members and friends, from my family to yours. Coming through the climax of the holiday Christmas season, the Jr. YBA hosts the Mochi-Tsuki and Pickup event for the larger sangha and community. We hope you'll support this important event by assisting with the mochi-making and your orders and to celebrate the new year.

Please join us for the 2015 New Year's Eve Service at 7pm in the temple sanctuary. An enjoyable evening of refreshment and fellowship will be had.

On January 17, 2016, Sunday at 9am, our member-volunteer for KHBT and the larger community, Jim Miller will be our lay speaker. Please support him with your participation at this service. I will be serving the Hilo Hongwanji as its Hoonko speaker at this time.

Retired Rimban, the Rev. Tatsuo Muneto will be our guest speaker for the January 23-24 Hoonko services -- Shinran Shonin's annual Memorial Service.. Rev. Tatsuo Muneto has not only served KHBT as part of his tenure tour, he has graciously educated and assisted the sangha during the 15 month interval when Kona was not assigned a minister. Please come to welcome and appreciate him for his 50-plus years of service to the HHMH and to the Kona Hongwanji Buddhist Temple.

February will also be replete with many activities. Scout Sunday on February 7th; Annual Kyodan-Sangha Membership-Keirokai (Honor Elders) Gathering & Luncheon on February 21st; Hawaii Island Gatha Festival at Papaikou Hongwanji Social Hall (KHBT no service) on February 28.

And, on February 14th, Sunday, joining the Family Memorial & Birthday Sunday, held on campus (open-air) and hosted by our Jr. YBA, is our 1st Pet(s) Appreciation and Remembrance Day. For so many, their pet is an integral part of family life, especially after a human loved

one has gone. Past family pet(s) will be remembered and, MANAGEABLE pets will be welcome, all within reason - crucial by holding this appreciation and remembrance tribute outdoors on campus grounds under tents.

A final highlight note to stimulate the 2016 YEAR BY CHANGING OUR AWARENESS WITH NEW OPPORTUNITIES AND VISION: The KHBT Buddhist Women's Association will be hosting our annual Hanamatsuri-Buddha Day Celebration on April 10 from 9am. The KHBT community invites all those individuals who are interested in being introduced to the Three Jewels of Buddha-Dharma: the Buddha, the Dharma and the Sangha. This hopefully, annual event is a hybrid between Infant Initiatory Rites and the Kieshiki - when our State HHMH Bishop officiates the presenting of the Buddha-Dharma Name to recipients. Please encourage your Buddhist family, relatives and friends in the Kona and adjoining communities to participate as more details are forthcoming. Mahalo with Namō Amida Butsu.

## **HEADQUARTER'S UPDATE**

### **PARLIAMENT OF THE WORLD'S RELIGIONS**

With the urging and assistance of the Board of Directors of The Interfaith Alliance Hawaii, my wife, Rosemary, and I were extremely fortunate to take part in the Parliament of the World's Religions. This event was held from October 16 to October 20, 2015 in Salt Lake City, Utah.

The Parliament invites all of the world's religions and spiritual traditions (including pagans and atheists) to join together in interreligious harmony based on respectful, appreciative and cooperative relationships with persons and communities of other traditions. The first Parliament was held in 1893 in Chicago and is recognized as the birth of a global interfaith movement. In addition to known faith traditions, this gathering for the first time recognized the beauty of Baha'i, Buddhism, Hinduism and Jainism. D.T. Suzuki, the renown Zen scholar, was one of the noted presenters.

This year's theme was RECLAIMING THE HEART OF OUR HUMANITY – Working Together for a World of Compassion, Peace, Justice and Sustainability. In addition, the Inaugural Women's Assembly focused on: (1) Responsibility of world's religions to affirm women's dignity and human rights; and (2) Share sources of religious and spiritual inspiration for women's empowerment.

People from more than 80 countries and 50 faith and spiritual traditions came together to learn about and consider solutions related to topics such as climate change, poverty and the struggle of indigenous people throughout the world. With plenary sessions and about 1,200 topical sessions over the four days, I started each day with a 7:00 am worship and self-reflective activities (meditation, tai chi and hatha yoga), then participated in various sessions dealing with homelessness, indigenous people and the work of small local community action groups. The session presenters were excellent with experiential knowledge and participants shared their experiences with mutual respect, mindfulness and compassion.

The Parliament concluded with a call to all religious and spiritual communities to urgently work for a compassionate, peaceful, just and sustainable world. With this sense of urgency, the next Parliament will be held in two years rather than four years. The location of next gathering will announced shortly.

The Hongwanji was well represented at the Parliament. Bishop Tatsuya Aoki (Buddhist Churches of Canada), Bishop Eric Matsumoto (Honpa Hongwanji Mission of Hawaii) and Bishop Kodo Umezu (Buddhist Churches of America) represented the North American temples. In addition, Reverend Ron Kobata, Reverend Marvin Harada, Reverend Ron Miyamura and other BCA ministers conducted short Jodo Shin services for interested Parliament participants.

Reverend Jerry Hirano and his wife, Carmela, of the Salt Lake Buddhist Temple hosted Parliament participants from the Hongwanji. Salt Lake sangha members welcomed us with their warm hospitality and the Hiranos opened their home for a special dinner. We certainly enjoyed our brief visit with the Salt Lake sangha and appreciate their welcoming efforts.

For me, the Parliament demonstrated that religious and spiritual people can make a difference in the world.

(Alan Goto – Honpa Hongwanji Hawaii Betsuin)
